Report on the audit of the Standalone Financial Results

Opinion

We have audited the accompanying standalone annual financial results of **Artemis Electricals and Projects Limited** (Formerly known as Artemis Electricals Limited) (hereinafter referred to as the "Company") for the quarter and year ended 31 March 2023 ('annual financial results'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid annual financial results:

- are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the quarter and year ended 31 March 2023.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the "Auditor's Responsibilities for the Audit of the Annual Financial Results" section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our opinion on the annual financial results.

Emphasis of Matter

- Attention is drawn to the note - 7 to the standalone annual financial results, there were certain delays in the redemption of debentures by the Company, however the Company and Debenture holders have mutually agreed to reschedule the redemption of debenture to 15th November 2023, also the few debenture holders have extinguished their right over the premium on debenture redemption amounting to ₹ 10.45 Crores vide various letters exchanged till the date of this report. Effect of such waivers / extinguishments have already been considered in these financial statements.
- We draw attention to note - 6 to the standalone annual financial result, regarding the management's assessment of the effect of COVID-19 on its business including but not limited to liquidity and going concern assumptions, recoverable values of its financial and non-financial assets and its increased efforts for their recovery and impact on revenues and costs for the quarter and year ended 31 March 2023 and based on its internal and external sources of information, sensitivity analysis of the assumptions used and its current

estimates, the company's expectation to recover its carrying amount of the aforesaid assets. The manufacturing activities at the factory premises were closed however the Management informed that the manufacturing activities are commenced at very minimal /negligible level and the management is focusing more on projects and project related works.

- c) Attention is drawn to the fact that we have not participated in physical verification of inventories of raw material, finished goods, work in progress goods and stock in trade. We have relied on physical verification certificate issued by management as well as certificate of the valuation of finished goods and work in progress for all the period included in the annual financial results.
- d) We draw attention to note - 4 to the standalone annual financial result, disclosure under Ind AS 108 - 'Operating Segments' could not be provided as sufficient information relating to the same was not available with the management. Further the Company conducts its business in only one Geographical Segment, viz., India.
- e) Attention is drawn to the fact that the Company has communicated to the suppliers related to categorisation of MSME parties, on the basis of the information available with the Company, the Company has classified outstanding dues of Micro and Small enterprise and outstanding dues of creditors other than Micro and Small Enterprises. Further the Company has not provided the interest on the same as reconciliation and settlement was pending with the parties. Adjustments required upon such reconciliation and confirmation, if any, are not ascertainable and hence interest has not been provided for.
- f) Attention is drawn to the note - 5 to the standalone annual financial results, The Company has entered into a contract to supply and commission a Lithium-ion battery plant at its factory situated at Artemis Complex, Gala no. 105 & 108, National Express Highway, Vasai (East), Thane - 401 208 with its related party "Electroforce (India) Private Limited ("EIPL")". Approval for such transaction has already been obtained from the shareholders of the Company in its annual general meeting held on 24 September 2021. The company has already paid 67% of the contract value to EIPL as on 31 March 2023 which is reflecting in Capital work in progress and Other non-current assets as Capital advances.

The management envisages commissioning of the lithium-ion plant by March 2024.

Our opinion is not modified in respect of these matters.

Management's and Board of Directors' Responsibilities for the Standalone Annual Financial Results

These standalone annual financial results have been prepared on the basis of the standalone annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these standalone annual financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the annual financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial results, including the disclosures, and whether the annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

MITTAL AGARWAL & COMPANY

CHARTERED ACCOUNTANTS

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The annual standalone financial results include the results for the quarter ended 31 March 2023, which are balancing figures between the audited figures in respect of the full financial year and published unaudited figures for the nine months ended 31 December 2022 which were subject to limited review by us.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the consolidated annual financial results.

Emphasis of Matter

- Attention is drawn to the note - 7 to the Consolidated annual financial results, there were certain delays in the redemption of debentures by the Company, however the Company and Debenture holders have mutually agreed to reschedule the redemption of debenture to 15th November 2023, also the few debenture holders have extinguished their right over the premium on debenture redemption amounting to ₹ 10.45 Crores vide various letters exchanged till the date of this report. Effect of such waivers / extinguishments have already been considered in these financial statements.
- We draw attention to note - 6 to the consolidated annual financial result, regarding the management's assessment of the Impact of COVID-19 on its business including but not limited to liquidity and going concern assumptions, recoverable values of its financial and

non-financial assets and its increased efforts for their recovery and impact on revenues and costs for the quarter and year ended 31 March 2023 and based on its internal and external sources of information, sensitivity analysis of the assumptions used and its current estimates, the company expectation to recover its carrying amount of the aforesaid assets. The manufacturing activities at the factory premises were closed however the Management informed that the manufacturing activities are commenced at very minimal /negligible level and the management is focusing more on projects and project related works.

- c) Attention is drawn to the fact that we have not participated in physical verification of inventories of raw material, finished goods, work in progress goods and stock in trade. We have relied on physical verification certificate issued by management as well as certificate of the valuation of finished goods and work in progress for all the period included in the annual financial results.
- d) We draw attention to note - 4 to the consolidated annual financial result, disclosure under Ind AS 108 - 'Operating Segments' could not be provided as sufficient information relating to the same was not available with the management. Further the Company conducts its business in only one Geographical Segment, viz., India.
- e) Attention is drawn to the fact that the Company has communicated to the suppliers related to categorisation of MSME parties, on the basis of the information available with the Company, the Company has classified outstanding dues of Micro and Small enterprise and outstanding dues of creditors other than Micro and Small Enterprises. Further the Company has not provided the interest on the same as reconciliation and settlement was pending with the parties. Adjustments required upon such reconciliation and confirmation, if any, are not ascertainable and hence interest has not been provided for.
- f) Attention is drawn to the note - 5 to the consolidated annual financial results, The Company has entered into a contract to supply and commission a Lithium-ion battery plant at its factory situated at Artemis Complex, Gala no. 105 & 108, National Express Highway, Vasai (East), Thane - 401 208 with its related party "Electroforce (India) Private Limited ("EIPL")". Approval for such transaction has already been obtained from the shareholders of the Company in its annual general meeting held on 24 September 2021. The company has already paid 67% of the contract value to EIPL as on 31 March 2023 which is reflecting in Capital work in progress and Other non-current assets as Capital advances.

The management envisages commissioning of the lithium-ion plant by March 2024.

Our opinion is not modified in respect of these matters.

Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of consolidated financial statements on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.

- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated annual financial results, including the disclosures, and whether the consolidated annual financial

results represent the underlying transactions and events in a manner that achieves fair presentation.

We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
