Case registered against 20 for cheating investors of ₹5.5 crore

Thane: The Navi Mumbai police on Wednesday registered a case against 20 people for allegedly cheating investors of nearly Rs5.5 crore. Main accused Satish Gawand got in touch with the victims through his agents

who promised to double their investment in 40 days, an official said. The accused cheated eight investors of Rs5.47 crore between October 2022 and February 2023, the police said.

553kg drugs worth ₹46cr seized in city

SOMENDRA SHARMA / Mumbai

Mumbai Police seized more than 553 kilos of contraband from January to July and arrested 1,161 people allegedly involved in 975 cases of drug possession in the city, according to latest data.

Total value of the seized contraband was a whopping Rs 46.28 crore. The police data revealed that ganja was the most seized contraband in the city. The police seized 509 kilograms of the drug

during the said period.

According to the statistics, from January till July, the police registered 22 cases related to seizure of heroin, arrested 25 people in heroin-related cases and seized 1.3 kilos of the drug valued at Rs3.2 crore. The police registered 18 cases related to seizure of charas, arrested 27 people in charas-related cases and seized 8.5 kilos of the drug valued at Rs1.82 crore. They registered 635 cases related to seizure of ganja, arrested 685 people in gan-

ja-related cases and seized 509 kilos of the drug valued at Rs1.89 crore.

Speaking about the seizures of high-end drugs in Mumbai, a senior police officer said: "The police have registered five cases related to cocaine seizure, arrested seven people in cocaine-related cases and seized 200 grams of cocaine valued at Rs49.68 lakh. The police have registered 246 cases related to seizure of mephedrone or MD, arrested 338 people in MD-related cases and seized 18.1 kilos of

MD valued at Rs28.42 crore."

The police also registered 32 cases related to prohibited cough syrups, arrested 54 people in these cases and seized 1,032.4 litres of cough syrup valued at Rs60.62 lakh.

A police officer said that efforts were being taken to strengthen the intelligence network to get more information about peddlers, suppliers and consumers and monitoring of the internet is also being done to trace any drug deals on the darknet.

No place for the dead at state-run hospital mortuary

12 out of 21 cabinets in mortuary's cold room out of service for past two months

SURESH GOLANI / Mira Bhayandar

Twelve out of 21 cabinets in the mortuary's cold room at Bharat Ratna Pandit Bhimsen Joshi (Tembha) Hospital in Bhayandar (West), a government-run establishment, are out of service due to non-operational air-conditioners. These cabinets have been awaiting repairs for more than two months, resulting in hospitals returning the bodies that come for preservation back to the families.

The mortuary, designed to accommodate 21 bodies with seven cabinets that consist three units each, currently only accommodates nine bodies. This situation poses a challenge for bereaved families who require additional time for preservation, especially those awaiting the arrival of relatives from distant locations.

Moreover, the mortuary also caters to six police stations handling medico-legal cases involving accidental and unnatural deaths, as well as railway-related incidents between Mira Road and Virar.

Dr Zafar Tadvir, the civil surgeon, said, "Efforts are on to get the cabinets repaired and put them into use as early as possible. We have also requested the district health department to provide new cabinets."

Morgue at MBMC facility shut for 3 years

The mortuary in the civic-run Bharat Ratna Indira Gandhi Hospital in Mira Road has been non-functional for more than three years. Initially equipped with three cabinets and three units each for nine bodies, ongoing construction to add extra floors to the hospital building led to its temporary closure, and improper handling caused irreparable damage to the cabinets. Retired banker and social activist Rajesh Talreja said, "I have been repeatedly requesting the civic administration to start the morgue so that the kin of the deceased are not deprived of a dignified space to preserve the body of their beloved ones."

The administrative control of the mortuary, constructed by the Mira Bhayandar Municipal Corporation in 2011 at a cost of Rs90 lakh, transitioned to the state government in 2018 after facing challenges in sustaining the administrative expenses to run the medical institution.

Thane can cut emissions by 22% by 2025-26, says report

FPJ NEWS SERVICE / Mumbai

Thane can reduce its annual greenhouse gas (GHG) emissions by 22% in the next three years, through an effective set of action points that can be implemented, revealed a latest report by the National Institute of Urban Affairs (NIUA).

The report, 'State of Cities: Towards Low Carbon and Resilient Pathways', published by NIUA under the Ministry of

silient climate action but also highlights the crucial role they play in attracting investments for low carbon transitions. It serves as a guidebook for Indian cities, enabling them to navigate the complexities of sustainable urban development and make informed decisions that will shape a greener, more resilient future," said Hitesh Vaidya, Director, NIUA.

As per the report, Thane has

sions contributor (47.8%) is public sector buildings. The report's projections for Thane till 2025-26 are increased average minimum temperature, and average rainfall for the district.

The report has listed action points to ensure that Thane, with its economy mainly based on consumer-related services, reduces its emissions by 22% within 2025-26. To get there, all the buildings (residential, commercial, industrial) must use rooftop solar and solar water heaters, evaluate integration of district cooling systems and conduct energy audits for retrofits. There must be green building designs for high-rises, and deployment of solar PV and solar water heating systems at hotels and hospitals.

The transport sector could look at developing an electric mobility framework, introduce electric buses with solar photovoltaic charging facilities at depots, and replace the existing diesel bus fleet with CNG buses. There must also be a speedy application of EV for intermediate public transport modes of transport.

Municipal buildings can reduce heat ingress through urban cooling measures and implement solar PV systems to meet energy demand.

Thane has GHG emissions of 2.29 million metric tons of carbon dioxide equivalent, uses 13.06 million GigaJoule energy and consumes 1,677 million kWh electricity annually

Housing & Urban Affairs, in partnership with International Council for Local Environmental Initiatives (ICLEI) South Asia, gives an insight into 15 of India's smart cities, and their future challenges and pathways in terms of climate resilience, which includes mitigation of GHG.

GHG in the Earth's atmosphere traps heat and contributes to the greenhouse effect, leading to global warming.

"The report is a first of its kind, which not only underscores the urgent need for re-

GHG emissions of 2.29 million tCO₂e (metric tons of carbon dioxide equivalent), uses 13.06 million GigaJoule (GJ) energy and consumes 1,677 million kWh electricity annually. When it comes to consumption in Thane City, residential buildings consume the highest energy (47%), and are also the highest GHG contributors (43%). In terms of the amount of energy consumed by the local government, its GHG emissions profile puts transport as the highest energy guzzler (36.9%), but the highest emis-

Burqa-wearing women cheat jeweller of ₹2L

SURESH GOLANI / Mira Bhayandar

Police in Kashmirira are on the hunt for two women who allegedly scammed a jeweller of Rs2.15 lakh by selling him a counterfeit gold necklace.

The incident occurred last Sunday, when the burqa-clad women entered complainant Bhairulal Jain's showroom, Rishabh Gold, opposite Kashmirira Police Station, with one offering a necklace to fund her daughter's wedding. The necklace had a hallmark, confirming compliance to the standards set by the Bureau of Indian Standards. The woman claimed having forgotten the purchase bill and identity documents, and promising to give them the next day, provided a fake address in Naya Nagar, Mira Road.

The jeweller's nephew conducted an authenticity test following which Rs2.15 lakh was exchanged for the necklace. However, at a Borivali hallmark testing unit, the metal was revealed to be imitation with a fake hallmark.

An offence has been lodged under the Indian Penal Code Section 420 (cheating) against the duo at the Kashmirira Police Station on August 14.

PUBLIC NOTICE

Shri Sanjay Babul Bohra has lost the following original document pertaining to his property, being Residential Bungalow / Unit No.B-17, admeasuring 1365 sq. ft. (carpet area) of Swapnak Co-op. Hsg.
